RESPONSE UNDER 37 CFR 1.111

Sir:

A Petition and Fee for a four-month Extension of Time through and including July 2, 2001 accompanies this Response.

In response to the Miscellaneous Office Letter mailed February 2, 2001, Applicant submits the following remarks for the Examiner's consideration:

Remarks

Claims 1-40 are pending in the application.

In response to the requirement that Applicant identify the patent and claim numbers corresponding to the pending copied claims, Applicant respectfully notes that a Communication identifying the patents from which the pending claims were copied accompanied the filing papers of the subject application dated April 15, 1999. Because the Communication was filed with this application, Applicant could not know in advance the serial number to be assigned this application.
